To,

The Chairman,
Board of Studies/Civil Engineering,
Anna University,
Chennai.

Through,

The Principal,
JKK Munirajah College of Technology,
T.N. Palayam, Gobi

Sir,

Subject: Review of identification of gap in curriculum as per 2017 regulations-Reg

As per the feedback collected from our stakeholders (Students, Faculty, Employer and Alumni) the gaps identified in the curriculum are listed below for your reference.

- ❖ Stadpro version4.0 is popular software now a days and it is a highly recommended software tool for civil students. Hence addition of that software will be very useful to the students.
- ❖ Engineering geology is also very useful to the civil engineers which are also not a part of curriculum.

So, we request you consider our recommendations for adding the above software's during the framing of next regulations.

Thanking You,

Yours Truly,

PRINCIPAL

Sir,

Subject: Review of identification of gap in curriculum as per 2017 regulations-Reg

As per the feedback collected from our Employer and Alumni the gaps are identified in the curriculum listed below for your reference

- Routing, Virtualization, Networking fundamentals etc., are only in computer networks course which is not sufficient to cope up with the in real time networking companies' expectations. It should be incorporated in curriculum.
- Adding more topics like server configuration in cloud computing course can be done.

Hence we request you to consider our recommendations for adding the above during the framing of next regulations.
