Name of Event	Teachers Day Celebrations
Date of the Event	05.09.2021

*“A teacher is like candles who spend whole life in giving lights to many students”*

Teachers play a huge role in our lives. Their contribution cannot be explained in words. They have always been around to show us the right path. There's no better way to pay them tribute than to celebrate Teachers' Day. The day, which is celebrated on September 5, is Dr Sarvepalli Radhakrishnan's birth anniversary.

The legendary educator was also the first Vice President of India and second President of the country. We celebrate September 5 as a day to pay tribute to Dr .Radhakrishnan and also to all the teachers in the nation who toil to help students learn.
