### **2. BRIEF REPORT ON USES OF BICYCLE/BATTERY POWERED VEHICLES**

Our college students are coming to college by bicycle. Students these days prefer environment-friendly modes of transportation and cycling fits perfectly in this category. Cycling has a lot of advantages, and one of them is you automatically become more environment friendly. In addition to saving money, opting for bicycles instead of cars and motor cycles helps in reducing harmful emissions, thus, you're doing your bit for the environment.

Battery powered vehicle is operated in this college campus from main building to Entrance. Staff members and students are using this vehicle. This vehicle is emission free vehicle.
