### **FEEDBACK POLICY**

The feedback on design and review of syllabus was taken from Students, Employers, Alumni and Teachers. Based on the feedback, the following points are submitted to Department Advisory Committee for further action. JKK Munirajah College of Technology understands that a effective teaching-learning system followed by an educational institution needs continuous changes. To execute this process of continuous changes our institution adopted a feedback system in the terms of curriculum that takes various suggestions from the stakeholders of each programme. This feedback process helping in fine-tuning of the teaching learning process and curriculum.

The institute follows the following feedback mechanism for collection of feedbacks from students, faculty, alumni and employer on curriculum.

#### **Feedback Collection Process**

- ❖ Feedback forms with complete curriculum-oriented questions are framed in Google forms.
- ❖ The feedback links are shared to the stakeholders for the collection of feedback and a timeline is allotted for filling the feedback forms.
- ❖ Response for each question will be collected through the Google forms.

#### **Feedback Analysis Process**

- ❖ An analysis report has been generated by stakeholder wise and be reviewed in the department meeting along with the Principal, IQAC Co-ordinator and Placement officer.
- ❖ For every question a target has been set before the collection of feedback. In the analysis report questions with the response target has been highlighted.
- ❖ In the department meeting, actions are proposed and assigned to the concern person/committees/departments.
