Counseling

Counseling for girl students

Every faculty is allotted 15-20 students for effective Student personal counseling and mentor system. The main objective is to keep track of the progress of the students and counsel them accordingly for academic and personal developments.

Our counseling system provides support to the girl students and envisages them to realize and resolve their problems. Care is taken to empower the students, to strengthen them towards leadership and self- motivation and to make them confident in all walks of their career through various training programmes.
