Our secretary madam inspired the students with her speech that, "Life on campus is colorful. There are many activities you can be part of. And I do wish that each one of you will find your part in some of them. We do not want you to be just gathering information from here; but we want you to learn character, discipline, compassion, and above all understand the meaning of life.

But activities should not become distractions. You should never major on minor things. Always keep things in perspective. What is important should never be marginalized. Therefore keep your goals in front of you always. Each day measure the steps you have taken towards your goals. Then you will find success.

He heartily congratulated all the students for achieving success in getting a seat in this reputed College. This truly means the first step towards following their dreams and achieving their goals. And since for the next 4 years they are going to be part of this college.

For students, who are away from their respective homes for the first time and happen to face any problem in settling down in the new environment, he assure that all of us are readily available to listen to your problems and help you in tackling the same.

Apart from educational betterment, our college also focuses on the extra- curricular activities and organizes annual sports competition every year in the month of December after the completion of semester exams. We encourage all our students to participate in most of the sports because we understand that physical activities not only unwind one's mind, but also help in keeping people fit. Some of our students also represent the college at the national level competitions

Festivities of Onam

People all over Kerala celebrate this festival for ten days. Each day of this festival carries unique importance. Thus, people celebrate each of them uniquely. The celebrations reflect the rich culture and history of Kerala. In other words, this festival is no less than a carnival of 10 days in the state.

The Onam dance is quite popular throughout the country. Some of the traditional ones that people perform are Kathakali, Pulikali/Kaduvakali, Kummatti Kali, Kaikotti Kali and more.

Similarly, the traditional snake boat race is also a major attraction during the festival. We refer to it as Vallamkali. There are 100 men on each boat who do the

rowing. The race occurs at the River Pampa. Other popular races include Nehru Trophy Boat Race and the Uthrattathi Boat Race. Another important aspect of this festival is the Onam Sadhya. It is basically a feast containing all types of vegetarian dishes. It is quite lavish and is served on the last day of the festival. A huge variety of dishes are prepared and people serve them on banana leaves. Further, there is Onam Pookolam that is basically flower carpets. People make the flower decorations in front of their houses for welcoming King Mahabali.

6. CHRISTMAS DAY CELEBRATION

REPORT OF THE EVENT

Event Organized by	JKKMCT
Name of Event	CHRISTMAS CELEBRATION
Date of the Event	23.12.2022
Venue	SEMINAR HALL

“Christmas is celebrated on 23rd December every year. This festival commemorates the birth anniversary of Jesus Christ – the Messiah of God. Although it is a Christian festival, people from different communities celebrate it with great fervor and enthusiasm.

A Christmas tree is an artificial pine tree that is decorated with lights, artificial stars, flowers, toys, and bells all over it. It looks beautiful when the decoration is complete. Churches are decorated with lights during Christmas and people hang star lanterns outdoors to mark the onset of the festive season. All members of the family sit and pray together in praise of Jesus Christ.

Kids are especially enthusiastic about Christmas as they expect Santa Claus to visit them and bring gifts to their homes on the night of Christmas Eve and the early hours of Christmas day. Presents are placed under the Christmas tree which is wrapped in gift boxes and opened on the day of Christmas.

Kids sing Christmas carols like, “Jingle Bell, Jingle Bell, Jingle all the way” and perform various skits celebrating the auspicious day. Christmas is a festival which is cherished by people from all faiths and religions. It reminds us of the importance of sharing, exchanging gifts, and living in peace and harmony with our family and friends.”

Prayer is the raising of one's mind and heart to God or the requesting of good things from God. It is better in prayer to have a heart without words than words without heart. Whether we realize it or not, prayer is the encounter of God's thirst with ours. We started our function with prayer song.

10. PARIYUR AMMAN TEMPLE FESTIVAL

REPORT OF THE EVENT

Name of Event	Pariyur Amman Temple
Date of the Event	14.01.2022
Venue	Gobichettipalayam

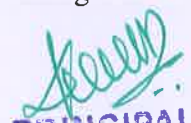

The history of the temple dates centuries back. The exact date of establishment is unknown and the current temple was built in the mid-1950s. The place was previously known as Azhagapuri or Parapuri and the name Pariyur came from 'Pari' 'oor' meaning, 'place ruled by Pari'. Vēl Pāri was a great king who is considered in Tamil literature as one of the Kadai ēzhu vallal (literally meaning, the last of the seven great patrons). Arulmigu Kondathu Kaliyamman is a powerful Goddess who was the deity responsible for the prosperity of the country ruled by Pari.

Schedule and pooja:

The temple is open from 6 am to 1 pm and from 4 pm to 8 pm. Abisegam and Puja is performed thrice daily on a normal day at 5.00 am, 11.00 am and at 5.00 pm. Archanai is performed all the time and Prasadham can be got from a stall dedicated to it

Special practices

To decide on things, people around the area ask the decision of the Goddess through a special practice known as "Vaaku Kettal" (வாக்கு ககட்டல்). They keep flowers on both the sides of the Goddess Kaliyamman and the decision depends upon the flower which falls from the statue. The Goddess is specially dressed in sandal paste or turmeric paste during festivities
