### BEST PRACTICE - I

#### 7.2.1. TITLE OF THE PRACTICE

EMPLOYABLE SKILLS (INFORMATIVE PORTO)

##### 7.2.1.1 OBJECTIVES OF THE PRACTICE

Employability skills refer to the transferable skills that individuals utilize in their workplace. Employers often seek these diverse set of skills in candidates in addition to their academic qualifications. In order to stay relevant and improve their efficiency, employees should focus on building up their employability skills. In our college, we analyze the various employability skills of people from various branches of engineering that are much in demand in the any workplace.

- To engage the community's interests.
- To reveal communities events, in a way that is visual, inclusive and fun.
- To display the current states of community knowledge of an issue, community expectations and visions, and provides an opportunity to answer questions.
- To raise the awareness about the importance of that events / issue.

##### 7.2.1.2 THE CONTEXT

Employability skills are the soft skills that help to make you stand out from other candidates or aiming for the same job with similar academic qualifications. These skills are not clearly illustrated in job descriptions but they are vital to possess in order to secure a role where the employability skills match the job profile. Poster is an quick interactive that guide helps to understand the design style & capture exactly what they need. It is the art of using images and text to convey a message which involves creating visuals such as illustrations, photographs, icons, logos, designs, or even videos that are easily understood by viewers.

##### 7.2.1.3 THE PRACTICE

The goals are varied, but the primary objective is to create a meaningful connection between the message and its audience. While working on poster designs, technical skills & software knowledge are necessary to analyze, research, understand the core concept.

### Some basic skills that are desired in our campus are:

- Communication skills
- Problem solving
- Design of Development (3C)
- Ethics & Leadership
- Entrepreneurship Skill & Career Guidance

### Software skills required:

- Powerpoint
- Autocad
- Paint
- Canva
- Photoshop / illustrator
- corelDRAW
- Stencil
- Poster mywall

### COMMUNICATION SKILLS

Being able to communicate effectively is perhaps the most important of all life skills. It is what enables us to pass information to other people and to understand what is said to us. You only have to watch a baby listening intently to its mother and trying to repeat the sounds that she makes to understand how fundamental the urge to communicate is.

- Communication, at its simplest, is the act of transferring information from one place to another. It may be oral (voice call, face-face), written (memos, books, magazines, websites or emails), visually (using logos, maps, charts or graphs) or non-verbally (using body language, gestures and the tone and pitch of voice), listen (to understand).
- It results in a More Productive & Talented Workforce & for individuals, teams, and organizations.

### PROBLEM SOLVING

Problem solving is the act of defining and identifying the issue, coming up with solutions, implementing those solutions, and evaluating their effectiveness.

- Step 1: Identify & Analyze the Problem
- Step 2: Most problems have solutions - Look for Root Causes
- Step 3: Take responsibility - Don't jump to solutions
- Step 4: Develop Alternate solution - Implement
- Step 5: Focus on what you can do, not on what you can't do
- Step 6: Solutions must be legal and socially acceptable.
- Step 7: Evaluate the result.

### DESIGN OF DEVELOPMENT

Design of Development is the design and engineering work process that is based on Basic Engineering information to develop the Detailed Design and Engineering document for the procurement, construction, operation, and maintenance of a project. Design of Development is the process that is based on concepts, informations to develop the Detailed Design documentary in a way that is visual, inclusive and fun.

The Design Development defines and describes all important aspects of the project focusing on the selection of materials development of technical specifications for detailed engineering and construction and generation of construction drawings and document. Poster design is the art of using images and text to convey a message which involves creating visuals such as illustrations, photographs, icons, logos, designs, or even videos that are easily understood by viewers.

- The poster design was not merely to see the creative aspect but also to trigger the thought process of the students.
- To sensitize them towards the aspects, events that happening in & around the campus along with social & cultural awareness.
- To display the current states of community knowledge of an issue, community expectations and visions, and provides an opportunity to answer questions.

### ➤ 3C

- **Consistency** (Systems– Requirements based Design)
- **Clarity** (Clear instead of Clever Design)
- **Content** (Design is Communication not Chrome).

### ETHICS

Ethics, also called moral philosophy, the discipline concerned with what is morally good and bad and morally right and wrong. The term is also applied to any system or theory of moral values or principles.

- These are norms of behavior that everyone should follow. Our society might fall into chaos if we accept that each of us could pick and choose what the right thing to do is.

### LEADERSHIP

Leadership is the ability of an individual or a group of individuals to influence and guide followers or other members of an organization. Leadership involves making sound and sometimes difficult decisions, creating and articulating a clear vision, establishing achievable goals and providing followers with the knowledge and tools necessary to achieve those goals.

- Leaders are found and required in most aspects of society, from business to politics to region to community-based organizations.
- An effective leader possess the following characteristics: self-confidence, strong communication and management skills, creative and innovative thinking, perseverance in the face of failure, willingness to take risks, openness to change, and levelheadedness and reactivates in times of crisis.

### ENTREPRENEURSHIP SKILL

Entrepreneur skills include various skill sets such as leadership, business management, time management, creative thinking and problem-solving. You can apply these skills in many job roles and industries. These entrepreneur skills are vital for promoting innovation, business growth and competitiveness.

- Adaptability, Persistence & Hard Work

### CAREER GUIDANCE

Career Guidance is a counselling programme designed to help students choose the right career path based on their educational and professional choices. It is a qualitative and quantitative assessment of the knowledge, skills, information, and experience to identify career options available.

In India, awareness, and information about various career options available to students passing out of school are limited. The culture of going to a career advisor is almost non-existent.

- A career advisor or counsellor is an expert in exploring students' skill sets and interest levels and suggesting a balanced solution combining the merits of both.
- The career advisor relies on career interest or aptitude tests as part of the discovery process to identify factors influencing career interests, abilities, and values. In essence, a career advisor sets realistic career goals for each student.

#### 7.2.1.4 STUDENT FEEDBACK ON DESIGNING:

"I was impressed by our creativity in designing the poster and invitation. The use of imagery and typography captured the theme of the event perfectly in recent days mesmerizing us."

"Our dedication to excellence is evident in the invitation and poster designs that produced. The sophistication and attention-grabbing elements incorporated are a testament to our professionalism and artistic talent."

"Our talent for design has truly transformed the invitation and poster into works of art. The professionalism and creativity have exceeded expectations and set a high standard for future projects."

"Our graphic design shines through in the invitation and poster the thoughtfulness in crafting both pieces demonstrates a level of professionalism that is sure to leave a lasting impression on attendees."

### BEST PRACTICE - II

#### 7.2.1. TITLE OF THE PRACTICE

CORDIALITY TOWARDS ERUDITION

#### 7.2.1.1 OBJECTIVES OF THE PRACTICE

- To develop spiritually & converting the cordial thoughts into practical actions.
- To encourage **Efficacious** hospitality withholding, leadership, autonomy, justice, civility, Fidelity, Compassion, Accountability, regale & reciprocity.
- Moulding the campus & pupils into Environmentally friendly by acknowledging diverse values & practices.

#### 7.2.1.2 THE CONTEXT

It encompass a range of educational engagements, formal and informal alike, aiming at cultivating individuals to embrace their responsibilities to fulfill their duties in Public stewardship.

#### 7.2.1.3 THE PRACTICE

**FACILITATOR & SCHOLAR EDUCATION =  
TEACHING SKILLS + PEDAGOGICAL THEORY + PROFESSIONAL SKILLS**

**Teaching and learning skills** involve training in diverse techniques to encompass effective classroom management, preparation and use of instructional materials, and proficient communication.

**Pedagogical theory** includes the philosophical, sociological and psychological considerations tailored to each stage's needs.

**Professional skills** encompass techniques and strategies promoting professional growth, including soft skills, counseling skills, interpersonal & technical skills,

### 7.2.1.4 CORDIALITY

#### 7.2.1.4.1 ORISON & NUTRIMENT:

"Seek first the kingdom of God and his righteousness, and all these things will be added to you." Encouragements to students prioritize their relationship with spirituality above all else, trusting that universe itself brings magic to their worlds for their words & action.

We deduce that education and spirituality must go hand-in-hand. And that's why we, regularly plan spiritually nourishing activities such as Friday poojais & food servings.

**"The discipline required to pray is the type of discipline needed to study daily",** says our chairperson.

**"I command prayers to precede all food servings, for in gratitude and reverence, we nourish both body and soul."**– words that shared by our Principal.

**"I value the inclusion of prayer requests during our gatherings. It allows us to support each other and lift up concerns or struggles in a communal setting."** – Second year student.

**"I find comfort in the moments of prayer, especially during stressful exam & viva periods. It helps me feel grounded and connected to something greater than myself."**– says our Final year students.

Every institution plays a vital role in accommodating scholars & facilitators, and sometimes extends to include parents, visitors, and non-resident students during institutional events like sports and cultural activities held on and around the campus.

**Cooking is all about people. Food is maybe the only universal thing that really has the power to bring everyone together. No matter what culture, everywhere around the world, people get together to eat." - Guy Fieri**

### 7.2.1.5. ERUDITION EVENTS

#### 7.2.1.5.1.ACQUISITION ACCOLADE

It signifies acknowledgment granted to our institutions for its attainment of success & achievement of significant milestones, awards & certificates, reflecting the value and recognition garnered for its accomplishments and contributions.

#### 7.2.1.5.2. LEISURE PURSUIT

. As Vince Lombardi once said, **“Individual commitment to a group effort - that is what makes a team work.”** Academic learning and sports education always complements each other. Sports education at our campus along with the academics results in the holistic development of scholars. We scheduled the curricular along with co-curricular, such as segregated periods for library, sports & leisure activities.

Sports are crucial for mental and physical well-being, enhancing fitness, promoting teamwork, and fostering emotional resilience and cognitive function. Sports unite educators and scholars, fostering mutual encouragement through exemplary performances.

#### 7.2.1.5.3. ITINERARY LOGISTICS

It refers to the detailed planning and coordination of all aspects including transportation, accommodations, activities, and schedules. The aim is to create enjoyable and memorable experiences while ensuring well managed logistical details. Alongside the thrill of discovery, food preparation becomes a tantalizing journey of culinary explorations. Capturing the moments frozen in time through photographs and documentaries becomes a cherished endeavoring memory.

#### 7.2.1.5.4 OTHERS:

"We're strategizing to elevate our cordial and erudition programs in the coming days, prioritizing the equilibrium between work and personal life, and nurturing both physical and mental well-being."

Tamil Nadu, India. Located in the Eastern Ghats, Chitheswar Malai is a majestic hill known for its lush forests, awe-inspiring vistas, and the presence of the revered Chitheswarar Temple at its summit.

- The trek begins at JKKMCT Campus at the time of early morning 3.00 am from there we reach to Anthiyur via our college bus and from there we reach the 5th hill out of 7 through jeep, then from there the real hike begins.
- The enthusiasts embark on a moderate hike that meanders through dense vegetation and rocky terrain. As you ascend, the trail rewards you with breathtaking panoramic views of the surrounding valleys, check dam view of river bhavani and hills, making each step a rewarding experience.
- The Chitheswarar Temple, perched atop Chitheswar Malai, serves as the ultimate destination of this trek. Devotees and trekkers alike visit this temple to pay their respects and enjoy a serene, meditative atmosphere.
- Trekking to Chitheswar Malai in Anthiyur offers not only a physical challenge but also a chance to connect with nature and spirituality simultaneously. It's an experience that leaves you with lasting memories of natural beauty and a sense of tranquillity in the midst of the Eastern Ghats' rugged terrain.
- From back to the 5th malai we as a family cook together & shared our lunch, as the nature showers it happiness as mist & rain we showered our overwhelming respect to the nature by cleaning the spot that we have cooked & using the biodegradable materials. On basis of the locality each & every person reach their home in diverse timing but the timing that we spent together remained as an golden time zone that we will cherish forever.
