MEMORANDUM OF UNDERSTANDING / AGREEMENT

This Memorandum of Understanding (MoU) is made on this day 02.07.23 between JKK Munirajah College of Technology, T.N Palayam, Gobi and Universal Power Supplies, Bangalore.

Purpose and Objective

1. The objective of MoU is to bring about an Industry & Institute interaction.
2. This MoU would facilitate to organize the workshops, seminars, conferences and provide Value added software training to all B.E Electronics and Communication Engineering and M.E Applied Electronics engineering students of JKK Munirajah College of Technology.
3. To impart the knowledge on Electronics Sector areas to students and faculties.

4. The purpose of this MoU is to provide students with In-plant Training & Certification on All Electronics Areas including Design, Simulation and Operation & Maintenance at a subsidized cost.
5. Organizing the Industrial Visit and In-plant training for students.
6. Aiding the placements in core sector for students.
7. Organizing training classes for Staff at industry.

About JKK Munirajah College of Technology

J.K.K. Munirajah college of Technology was established in the year 2008 Governed by Annai J.K.K.Sampoorani Ammal Charitable Trust, primarily with the objective of delivering world Class quality in Education and Training in a structured and systematic manner. J.K.K. Munirajah group of Institutions was founded by J.K.K.Munirajah, who is a reputed industrialist, technocrat, an educationalist par excellence, an avid social worker, a person imbued in deep spiritual values and a philanthropist. The management has completed 39 years of dedicated service to the people of India and abroad in the field of Education. The Institution has an area of 250 acres of land richly endowed with beautiful green land. The college with its state-of- the- art infrastructural facilities and excellent academic records has earned recognition as one of the reputed educational institutions for men and women in India. The College Offers 9 UG courses in B.E and B.Tech. and various PG courses in different branches.

About Electronics And Communication Engineering Department

Department of Electronics and Communication Engineering, offers Under Graduate programme (UG-ECE) with an annual intake of 30 and 1 Post Graduate programmes (M.E.Applied Electronics Engineering with an annual intake of 9).

The Department of Electronics and Communication Engineering strives to produce adept engineers. Well-qualified and dedicated team of faculty members gives their best to the students and also guide and facilitate their learning.

The department builds confidence among the students by inculcating the necessary skills to take up any industrial challenge at any time on their course completion.

Apart from the prescribed syllabus, the department arranges for value added courses. The neighboring industries are brought in to impart practice in handling the VLSI design with Simulation, Microprocessors and Microcontroller with ARM Processor Projects, AC and DC Power Supply, Automation, Repair and Assembly of various Electronics equipments.

Wherever Electronics Engineers work, they are engaged in one or more of different fields: Research, Development, Design, Testing, Manufacturing, Operations, Maintenance, and Marketing & Sales Administration.

Laboratories of Electronics and Communication Engineering Department are facilitated with all modern equipments. With this added feature, MATLAB and ETAP software tools in Electronics System Design lab gives ample opportunity to our students to be familiar with the latest industrial technology.

About company

Universal Power Supplies was established in 2013 and globally support to our valuable customers for electronics R & D and manufacturing the electronic products. Universal Power Supplies provides the quality of technical seminar classes and hands on workshops experience to the various academic institutions. The vision of the concern is to educate the people who are all interested to learn electronics. Universal Power Supplies Head office is located at Bangalore and Branch office is located at Bhavani, Erode district, Tamilnadu, India, where the training classes are conducted for students and staff.

Universal Power Supplies is the electronics products design and manufacturing company. Universal Power Supplies has well established laboratory and manpower. Universal Power Supplies support electronics Hardware and embedded software development to their valuable customers. Universal Power Supplies has well experienced and experts working under Mr.Gowtham kumar of our CEO and project manager. Universal Power Supplies also provides world class technical coaching classes and hands on working implementation centers. Universal Power Supplies are making the students to learn with their own interest through our technical teaching.

BENEFITS TO THE STUDENTS OFFERED BY UNIVERSAL POWER SUPPLIES

1. Delegates from BSNL, ELCOT, TATA Teleservices (Telecommunications), INTEL (Analog and Digital Electronics), DELL India (Networking), WIPRO (Wireless and networking, Telecom, VLSI), L&T and INFOTECH (Linux, digital), CISCO Networking (Computer Networks) and Industry experienced Trainers for workshops and seminars.
2. Academic projects from Real time Embedded Systems from industries.
3. Certificate to the students after successful completion of the training.

4. Exclusive Training Course Material for training.
5. Placement guidance and assistance will be provided for eligible candidates.

BENEFITS TO COLLEGE:

1. This MoU with the College is a continued effort to develop professionals and the young graduates to gain the knowledge and experience the current industry trends as per the current industry requirement and to learn to experiment for their future growth.
