

J.K.K. MUNIRAJAH COLLEGE OF TECHNOLOGY
(AUTONOMOUS)

Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai.

Accredited by NAAC with "A" grade

T.N. Palayam (Po), Gobi (Tk), Erode (Dt) – 638 506

ANNUAL REPORT FOR THE ACADEMIC YEAR (2023-2024)

The day of the celebration is a spectacle of colors, sounds, and emotions. It starts with a formal inauguration, often by an esteemed guest, followed by a series of performances by students that include dance, music, drama, and more. The atmosphere is electric, filled with applause and cheers that echo the collective spirit. College day is an occasion to look back and rejoice at our accomplishments, cherish the fond memories, introspect on our shortcomings and resolve to become a better version of ourselves in the forthcoming years. Today everything around us has changed dramatically and teaching-learning has become completely remote. I am really proud of my staff and students who adapted quickly to the challenging times not just to cope with the situation but also to win. I am also thankful to the management for the support extended to make it possible.

About the Institution

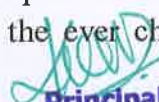

J.K.K. Munirajah college of Technology was established in the year 2008 governed by **Annai J.K.K.Sampoorani Ammal Charitable Trust**, primarily with the objective of delivering world class quality in Education and Training in a structured and systematic manner. **J.K.K. Munirajah** group of Institutions was founded by **Dr. J.K.K. Munirajah M.Tech (Bolton), D.Litt.**, who is a reputed industrialist, technocrat, an educationalist par excellence, an avid social worker, a person imbued in deep spiritual values and a philanthropist. The institution offers an invaluable opportunity to reflect on our progress and chart a course for continued growth and success. It is surrounded with homely atmosphere serves to enhance learning in the true sense of the term. Ever since its inception, the college has emerged as one of the leading quality education provider in the area. We began our 16th year with a lot of hope and enthusiasm to promote our college objective (i.e.). Education, enlightenment, discipline and service from a humble beginning, the college has risen to the present stature of a reputed institution offering various research programmes.

Vision

To create and mould students as engineers with adequate core and interdisciplinary knowledge and skills for the welfare of mankind and society through quality education for students with value added education and Ethical values.

Mission

- To mould our students in the attainment of professional competence for coping with the rapid and challenging advancements in technologies and the ever changing world of business, industry and services.

- To help and guide our students in their personal growth shaping them into mature and responsible individuals.
- Providing rigorous academic knowledge to the students through high quality education, training models and research activities.
- Providing platform to the students for holistic development with participation in co-curricular and extra-curricular activities.

ADVANTAGES AND FACILITIES OF JKCMCT

- The college with its state-of-the-art infrastructural facilities and excellent academic records has earned recognition as one of the reputed educational institutions for men and women in India.
- Each section of students has separate classrooms and facilities as per the norms of the AICTE.
- Class rooms are well furnished and ventilated.
- The college has separate laboratories and equipped with computers having suitable latest hardware and software systems which are updated regularly to cater to the current demands.
- The college campus is fully WI-FI enabled.
- Our College is having Lift Facility for the students those who are physically challenged to attend their classes in time.
- All classrooms are equipped with high end smart board facilities with internet connection that enables faculty to facilitate their teaching - learning process.
- Smart Classrooms are provided with all HI FI teaching aids, Television, Video Player, LCD Projector, Audio Systems, etc., in order to ensure overall development of students.
- The college has a well-designed rooms and facilities for the students such as common room for girls and boys separately.
- A canteen with both vegetarian and non-vegetarian food is also available in the college campus.
- Our college also has rain water harvesting point which helps to increase the overall ground water level.
- The college has indoor sports facilities like 3 shuttle cork courts and 2 Badminton courts with synthetic flooring to make students participate with enthusiasm.
- The gym facilities at our college are well equipped with modern gym Equipments which providing fitness to our students.
- JKCM health care center is managed by a medical officer and a health care assistant to provide excellent medical care to all the student and staff at any time.

- Our JKK Munirajah College of technology and AISHE code C-37051 has agreed to participate in UBA as a participating Institute.
- The college building has made more provisions for the expansion. Other facility consists of Drawing Hall, Seminar Hall etc.
- JKKMCT provides bus facility for students to commute from different parts of the city.
- Our college is having E-Vehicle facility for the students and staff to move to various parts of our institution.
- FM radio station has been opened to provide real-time information, and some that broadcast 24 hours a day, can provide the most recent updates to listeners.

LIBRARY FACILITY

Well-stocked Central library with computing facility with journals like Delnet, J-Gate, K-Hub, NDL, e-Shodh Sindhu, NPTEL, IEEE, Journals, magazines, standard reference sources etc.. The college library is fully automated with Online Public Access Catalogue (OPAC) of library holdings and Wi-Fi is enabled and is under 24 hours electronic surveillance.

NSS ACTIVITIES

The NSS unit of JKK Munirajah College of Engineering, T.N.Palayam plays an active role in shaping our students humane and responsible citizens. The overall aim of NSS is the Personality Development of students through community service. We are conducting special camping programme in adopted villages and NSS activities in our campus which provides unique opportunities to the students for group living, collective experience sharing, sharing responsibilities, addressing various developmental issues of regional and national importance and constant interaction with the community.

UNIVERSITY RESULTS

During the academic year **2023-24** a total of 104 students were appeared for the final year examination conducted by Anna University. Among them 85 students have passed the exam successfully and our college secured the **overall pass percentage of 82 %**.

TRAINING AND PLACEMENTS

The Training and Placement cell provided a full-fledged training and assessment in the areas like Soft skill, Verbal, Aptitude, Technical skills and Value Added Training on emerging fields to the students. During the **academic year 2023-2024**, out of 85 students **43 students** were placed in the various companies like Vaidya NSK Technology

FACULTY ACHIEVEMENTS

In order to ensure better teaching-learning process, faculty members are encouraged to attend Faculty Development Programmes on various functional areas. Faculty members of all disciplines are given ample opportunity to participate in FDPs, Workshops, National and International Seminars to explore their technical skills and enhance their teaching methodology.

FDP ORGANIZED BY OUR INSTITUTION

Around **14 various programmes such as FDP**, short term courses, Orientation/ Induction programmes, Refresher courses, Professional development programmes are organized by our Institutions.

- Department of Electronics and Communication Engineering organized FDP on Sensors Technology with 34 participants from 15.04.2024 to 20.04.2024.
- Department of Information Technology organized FDP on Block Chain Technology with 25 participants from 25.03.2024 to 30.03.2024.
- Department of Automobile Engineering organized FDP on Electric & Hybrid Vehicle-Design with 25 participants from 18.03.2024 to 23.03.2024.
- Department of Civil Engineering organized FDP on Emerging Trends and Applications in Civil Engineering with 8 participants from 11.03.2024 to 16.03.2024.
- Department of Science and Humanities organized FDP on Quality Practices in NBA Accreditation Process with 30 participants from 04.03.2024 to 09.03.2024.
- Department of Mechanical Engineering organized FDP on Design of Industrial Components with 15 participants from 19.02.2024 to 24.02.2024.
- Department of Electrical and Electronics Engineering organized FDP on FDP on Integration of Green Energy with Smart Power System with 23 participants from 12.02.2024 to 17.02.2024.
- Department of Information Technology organized FDP on Generative AI with 25 participants from 05.02.2024 to 09.02.2024.
- Department of Computer Science Engineering organized FDP on R Programming for Budding Data Analysts with 25 participants from 18.12.2023 to 23.12.2023
- Department of Electronics and Communication Engineering organized FDP on IoT for Emerging Technical Application Technology with 33 participants from 09.10.2023 to 14.10.2023.

- Department of Science and Humanities organized FDP on Innovative Teaching and Learning with 33 participants from 11.09.2023 to 16.09.2023.
- Department of Electrical and Electronics Engineering organized FDP on Energy Harvesting Techniques for Wireless Sensor Networks with 30 participants from 21.08.2023 to 26.08.2023.
- Department of Mechanical Engineering organized FDP on Recent Trends in Mechanical Engineering with 15 participants from 17.07.2023 to 22.07.2023.

FDP ATTENDED BY OUR FACULTY

Around 67 faculty members have participated in various programmes such as FDP short term courses, Orientation/ Induction programmes, Refresher courses, Professional development programmes etc.

EVENTS ORGANISED

We believe in providing holistic education and focus on providing exposure to students through content beyond educational sessions, project competitions and technical and nontechnical competitions. This year, our academic departments, Clubs, Student Chapters, Office of Student Affairs and International Services had organized educational sessions in the form of domain specific webinars, seminars, workshop and training programmes. Alumni are the backbone of any institution and the success of JKKMCT is in establishing and maintaining meaningful relationships with them. Our alumni have been a source of inspiration to the future engineers from JKKMCT portal and their contribution through lectures and guidance are significant and appreciable. They bridge the gap between the curriculum and the current trends in the market enabling our students to upskill themselves. They guided the current third year students on facing campus interviews by conducting mock interviews. We value our relationship and we will continue keeping it strong and steadfast as they are one of our vital stakeholders in our progress. We organize events commemorating and celebrating all important international days, national days and festivals with a view to providing global education so that our students are aware of global happening and according work towards world sustainability.

IQAC CELL

The IQAC meetings were conducted periodically to ensure the internal quality of the college. Various actions were taken by the following suggestions of the committee members.

PERSPECTIVE PLAN

JKKMCT is well equipped and has got empowered in all aspects. Our future perspective plan is to upgrade ourselves by achieving NBA. Our management members also render their kind support to achieve and uplift the quality of the institution. I extend my kind gratitude to the **management and faculties of JKKMCT** for their team work to achieve the goal.

CONCLUSION

On this occasion, we bow our head in prayer, as we remember the invaluable services rendered by them. Behind every success, there is a lot of meticulous, steadfast and conscientious labour. The year **2023-24** was a remarkable year of extensive development and outstanding achievements. The abundant blessings of the Lord and the grace of our Founder Chairman, has always steered us in the right path and continues to be an anchor in all our endeavours. We enthusiastically look forward to further glory and to equip ourselves for the journey ahead.

Thank you.
