Tree plantation might not be total solution to climate change, but it helps surely create greener and much healthier future. When you talk about the tree plantation, it's not a rocket science. All you need is an expert and knowledgeable teams to get things don't at the right time. And that is what National service scheme of JKKMCT organized a tree plantation programme (Let's plant trees) on 12.07.2023 on kodayam palayam village. The programme was inaugurated by our respected Principal Dr. K.Sridharan J.K.K.Munirajah College of Technology. Mr. V.Magesh, Hod, Department of Automobile Engineering, Faculty members and Students. In this programme more than 40 students were planted 100 samplings of different varieties like ornamental, shadowing and fruit bearing tress inside and outside area of our college campus.

The aim of the programe is to plant a total number of 100 sampling in the village. One by one NSS volunteers started planting the sampling. Sapling were planted throughout the village area these saplings will eventually grow. Planting trees makes the village look natural and clean.
