## I. INDEPENDENCE DAY CELEBRATION

Event Organized by	JKKMCT
Name of Event	INDEPENDENCE DAY CELEBRATION
Date of the Event	15.08.2023
Venue	JKKMCT- IN FRONT OF MAIN BUILDING

### BREIF REPORT ON INDEPENDENCE DAY CELEBRATION:

On August 15, 2023, JKK Munirajah College of Technology celebrated India's 77<sup>th</sup> Independence Day, where students and staff members paid tribute to the nation and freedom fighters of India. It is a remarkable day when we honour and respect all our freedom fighters who fought for India's freedom.

The college premises were decorated to give it a festive look. The Principal of the College hoisted the national flag at 9 a.m. in the presence of the Staffs and the students. As the tricolor was unfurled, all present sang in tune the national anthem of India. This was followed by the Principal's speech. In his speech, the Principal invoked the names of the heroes who laid down their lives at the altar of India's freedom. He spoke at length about the hopes and dreams of those great souls and regretted that the common people are yet to realize the fruits of freedom.

The celebrations started with flag hoisting by the Principal and dignitaries, followed by the National Anthem and a parade by NSS students.

The Independence Day celebration was unique this year in the sense that apart from the Principal and the staffs, quite a few students also made their speeches on the occasion. The students on the whole expressed their keenness to pursue the path that would lead their motherland to prosperity. At about 9.30a.m., the Principal announced the closing of the function..

It was aptly said by the Iron man of India Shri Vallabh Bhai Patel "*Manpower without Unity is not a strength unless it is harmonized and united properly, then it becomes a spiritual power*". Good relationship among the people of the nation is a binding force that brings peace and development and also enable us to unify against various threats of enemies.

National Unity Day is an initiative celebrated every year to commemorate Sardar Vallabhbai Patel's birth anniversary. Sardar Patel was born on 31<sup>st</sup> of October in 1875 in Gujarat. He was first Home Minister and one of the founding fathers of the Republic of India. He was a great social leader who worked enormously for the integration of people to make India a united and independent nation. He united 565 princely states to give India her present identity. National Unity Day initiative was introduced by the Government of India and inaugurated by Prime Minister Narendra Modi in 2014. ## 5. WORLD AIDS DAY CELEBRATION

Event Organized by	JKKMCT – NSS &EEE DEPARTMENT

### BRIEF REPORT ON WORLD AIDS DAY:

J K K Munirajah college of Technology – NSS cell has organized WORLD AIDS DAY in our college campus on 1<sup>st</sup> December, 2023. All the HODs, faculty, non- teaching staff and students have participated. People around the world express their solidarity for the people affected with HIV and to remember those who have died from aids – related illnesses.

The world can end AIDS – if everyone's rights are protected. With human rights at the centre, with communities in the lead, the world can end AIDS as a public health threat by 2030.

On 1 December WHO joins partners and communities to commemorate World AIDS Day 2023. Under the theme "Take the rights path: My health, my right!", WHO is calling on global leaders and citizens to champion the right to health by addressing the inequalities that hinder progress in ending AIDS.

The day is an opportunity for public and private partners to spread awareness about the status of the pandemic and encourage progress in HIV/AIDS prevention, treatment and care around the world. It has become one of the most widely recognized international health days and a key opportunity to raise awareness, commemorate those who have died, and celebrate victories such as increased access to treatment and prevention services.

Inequalities still persist for the most basic services like testing and treatment. We must ensure that every one, everywhere has equal access to HIV prevention, testing, treatment and care. Health services should be adapted to reach and meet the needs of populations most at risk and affected, and this includes implementing a 'zero tolerance' policy to stigma and discrimination in all health services.

At the end, the students participated Essay , speech competition, drawing competition and pledged to remain away from this disease and follow all the useful instruction.

On this day, several events take place globally to highlight the collective efforts of everyone who cares about human rights in the ongoing struggle for gender parity. As Gloria Steinem aptly stated, "The story of women's struggle for equality belongs to neither a single feminist nor any one organization but to the collective efforts of all who care about human rights."

Finally many of the students had been participated in poster presentation competition. The theme for the poster making competition was on women empowerment. The objective of this poster making event was to create awareness of the Women's Right and to empower Women and to sensitize the students about Women's Respect and inculcating the values in them. Students Encouraged women empowerment with eye-catching **Women's Day poster** templates.
