WORLD BLOOD DONORS DAY (14.06.2023)

On behalf of “**WORLD BLOOD DONORS DAY**” our College NSS, YRC and RRC unit organized a “**WORLD BLOOD DONORS DAY- PLEDGE**” on 14th June 2023 at JKKMCT Seminar Hall.

From this Pledge, awareness was created among the students and peoples the need for safe blood donation, because young people’s involvement and support will help to ensure greater impact for the society. The Pledge was taken out in the presence of our respected Principal, Dr. K.Sridharan, J.K.K.Munirajah College of Technology.

World Blood Donor Day is celebrated every year by people around the world on June 14. It is celebrated on the birthday anniversary of “**KARL LANDSTEINER**” on June 14, 1868. Landsteiner was awarded the “**NOBEL PRIZE**” for his discovery of the ABO blood group system.

The 2012 campaign focused on the idea that any person can become a hero^[26] by giving blood. Blood cannot yet be “**MANUFACTURED ARTIFICIALLY**”, so voluntary blood donation remains vital for healthcare worldwide. Many anonymous blood donors save lives every day through their blood donations.
