

### Action taken report on feedback

Department of Automobile Engineering

Feedback collected from	Response threshold	Questions raised	Action taken
Student, faculty, alumni and Employers	81% Good	How do you rate the relevance of the Text Books and reference books by their international recognition to the Courses?	Being an affiliated institution, we cannot take any action.
	80% Good	How do you rate the allocation of the credits to the course?	Credits determine the weightage of the course; it is achieved through the teaching learning process.
	82% Good	How do you rate the syllabus of the courses in relation to the competencies expected out of the course?	It is decided to provide value added courses to the students to reduce the gap in curriculum.

### Action taken report on feedback

Department of Civil Engineering

Feedback collected from	Response threshold	Questions raised	Action taken
Student, faculty, alumni and Employers	80% Good	How do you rate the electives offered in your program for the technological advancements?	Elective courses are offered based on the preferences provided by the students from the anna university curriculum.
	81% Good	How do you rate the objectives stated for each of the course?	Course objectives and its importance are explained to the students.
	83% Good	How do you rate the courses included in programs can be suited to the industry requirements?	Certificate Programs offered in various topics related to placements.

## Action taken report on feedback

Department of Computer Science and Engineering

Feedback collected from	Response threshold	Questions raised	Action taken
Student, faculty, alumni and Employers	80% Good	How do you rate the courses which are skill related to the industry included in the programs?	Industry oriented certification programs and add on courses are conducted on theory and practical courses.
	81% Good	How do you rate the Courses that you learnt in relation to your current job?	Extra experiments are conducted in laboratories Internships are attended by the students at various companies during the period of study.
	83% Good	Whether the curriculum has a good balance between theory and practical courses?	Being an affiliated institution under Anna University, we have given some suggestions regarding the changes in the curriculum with respect to the practical applications of real time.
